MISSIONS FOCUS

This month's focus is Revival Chinese Ministry International (RCMI). It was set up in 1997 as an independent legal entity for the purpose of serving China in a more effective way. In 1961, Pastor Dennis Balcombe (founder) received his calling to go to China. In 1969 Pastor Balcombe left the United States and planted Revival Christian Church (RCC) in Hong Kong. Since the first tour group for westerners into China in 1979, RCMI has been working hard to put Bibles and Christian books into the hands of the Chinese people.
