## HARVEST FOCUS

**WORLD OUTREACH MINISTRY FOUNDATION:** World Outreach Ministry Foundation (W.O.M.F.) is a non-profit organization dedicated to reaching out to the unreached people of the world with the gospel of Jesus Christ, using every known tool of evangelism. They work to take the territories of Africa for God and lift high the sovereignty of Jesus wherever the soles of their feet should trod. They are not only teaching the love of God but showing the love of God. Our Boise Harvest College students, along with Pastor Mark, will be teaming up with this ministry to plant a church in Uganda in January. Pray with them as they go into all the world.
