HARVEST FOCUS

OPERATION CHRISTMAS CHILD: Our boxes are packed and sent all over the world. From there, leaders learn how to host child-friendly outreach events, and how to implement a discipleship program. As a result of what they learn, boys and girls grow in Christ and share with friends and family. The students also invite others to their graduations where the gospel is shared. This often brings parents, siblings, and friends to accept Christ and become active members in the local church. Families are reached, churches grow, new churches are started and communities are transformed. For more info visit: www.samaritanspurse.org.
