HARVEST FOCUS

THE BIDI BIDI REFUGEE CAMP: In Africa's biggest human exodus since the Rwandan genocide of 1994, one million people have fled war in South Sudan for the lush tranquility of northern Uganda. In August 2016, a small village opened it's doors to refugees, later becoming the largest refugee settlement. Pastor Mark will be ministering to the Bidi Bidi refugee camp for the South Sudanese people in Uganda this month. He will be accompanied by Steve Seale and James Holt. Pray for the many spiritual, physical, emotional and financial needs involved. If you would like to contribute to this trip, mark your donation "Africa Food/Medical".
