OUR MISSION

Harvest HomeSchool Advantage works together with parents and guardians to provide a Christ-centered, Bible-based academic education that will strengthen the mind and faith of children enrolled.

Laying this spiritual and mental foundation, we aim to set children up for success in their future academic and social pursuits. This firm foundation will help enable them to take their place as role-model citizens who will be a transforming influence in the world.

"All your children shall be taught by the Lord, And great shall be the peace of your children." Isaiah 54:13

OUR PURPOSE

Putting God first and foremost in all things.

OUR AIM

To provide an education that:

- Possesses academic excellence, spiritual depth and moral integrity
- Trains students in the knowledge of and obedience to the Holy Scriptures, promoting loyalty to our sovereign God
- Is in accord with the sixty-six books of the Old and New Testaments that we believe to be the verbally inspired, infallible and inerrant Word of God, the only rule of faith and practice
- Prepares pupils for Godly participation in whatever society God places them

"And these words which I command you today shall be in your heart. You shall teach them diligently to your children, and shall talk of them when you sit in your house, when you walk by the way, when you lie down, and when you rise up." Deut. 6:6-7

HARVEST HOMESCHOOL ADVANTAGE

A Modified Homeschool K-12th Grade Program

Harvest Homeschool Advantage (HHA) was created to assist families with their children's homeschool education. Our educational approach is from a Christian Worldview and everything we do centers around the Word of God.

Our classrooms are setup to help meet the needs of children in each grade level. In our Kindergarten through 2nd grade classes, we use a variety of teaching strategies including teacher-led small group lessons, whole group lessons, and hands on learning activities. These grades use Abeka as their main curriculum.

In our 3rd through 12th grade program we use ACE (Accelerated Christian Education) as our main curriculum. Each class has a classroom supervisor/teacher to facilitate individual instruction for each child as they work through their various subjects. Parents review student work and assist in completion of any necessary assignments at home. Each student is tested, prior to beginning the program to determine the correct placement for each subject.

HHA operates as a ministry of Harvest Church.
